

Level 2 Award In Aspects of Preparing to Set Up a New Business

The Level 2 Award In Aspects of Preparing to Set Up a New Business (QCF) allows learners a flexible approach to learning about, and preparing for, self employment.

It is designed for those who think they may wish to start a business at some time in the future and want to complete a short programme of preparatory learning about the key aspects of this activity, without actually starting a business.

Qualification Overview

Level 2 Award In Aspects of Preparing to Set Up a New Business (QCF)
